

With a view to provide a platform for children to spark curiosity, Innovation to quench their thirst for creativity and inculcate scientific temper among children and teachers, Agastya International Foundation organized International Level Problem Solving Fair between 21 – 26th February 2022 @ Online Platform. All prizes were sponsored by Cipla foundation.

This International level Problem solving fair shown that your creativity, scientific temper has no any limitation of geographical boundaries, language

barriers.11 regions of Agastya conducted Regional level Jignyasa. Almost 5500 student and 1000 teacher category entries we received from **15+ states of India and Bangladesh**. Celebrating this journey ahead, **72 students and 36 from the teacher** category got the opportunity to participate in International level Jignyasa.

We could see most of the projects addressing **community problems, using science and technology for social awareness**. Expressing their ideas and mutual leaning are some of the key factors during this Jignyasa.

The event was held between **21<sup>st</sup> February to 26<sup>th</sup> February 2022**. The virtual exhibits from different parts of India and Bangladesh were indeed eye openers on various topics related to Plastic Recycling, Rain water harvesting, automation, low cost covid prevention instruments, gender equality, women safety, etc. and in teacher category various models on the mathematics, environment issues aligned to **UNSDG** goals.
